

International Internship Opportunity

Good news for UP students majoring in Traditional Chinese Medicine!

On March 15, 2019, the UP President, Assoc. Prof. Dr. Supakorn Pongbangpho, together with Dr. Chonthida Thephinlap, Vice President for Academic Affairs and Quality Assurance, and other delegates visited Guangxi University of Chinese Medicine, China. They were graciously welcomed by Prof. Dr. You Jianpeng, Party Secretary, Prof. Jiang Jichang, Dean of Faculty of International Education, Dr. Guo Yuhang from Department of International Cooperation, and others.

The main purpose of the visit was to sign an agreement on academic cooperation between University of Phayao and Guangxi University of Chinese Medicine. Included in the Agreement are as follows:

- Each year, University of Phayao will organize one group of undergraduate students majoring in Chinese Medicine to have a 41-week internship program on Chinese medicine at the First Affiliated Hospital of Guangxi University of Chinese Medicine, starting from July this year.
- The internship program focuses on practical training of clinical Chinese Medicine supervised by the instructors of clinical departments and Teaching Affairs Department of the Hospital.
- UP students will receive training in the outpatient section of Department of Internal medicine of TCM, Acupuncture & Moxibustion, Tuina, Orthopedics, Gynecology, Pediatrics and wards of several departments.

– UP students can have an optional training in the outpatient section of Department of Surgery of TCM, ophthalmology, otolaryngology, Zhuang Medicine, and Pharmacy of TCM.

– UP students will stay in the overseas student residence on Mingxiu Campus of Guangxi University.

Besides the eye-opening visit to labs, hospital, and campus tour, the air on that day was electric with friendly and constructive discussion on curriculum design, faculty exchange, and research between the two universities.

The door of opportunities is now wide open for UP students and faculty to enjoy the benefits of international cooperation UP has been striving for.
